

Lesson 9:

Sodom and Gomorrah

Colour the Picture

Sodom and Gomorrah

Craft Activity

Colour the pictures of Lot's wife, Cut them out and stick them onto a straw or a stick.
(glue them to be back to back—with stick to hold them.)

Cover one side with glue and spread salt on it. Leave to dry. Now you have a figure of Lot's wife before she looked back and after she looked back.

Create your own warning sign to stay away from something dangerous.
